

ABHISHEK KUMAR DUBEY

+91 8298853662 | abhishekkumardubey28@gmail.com | Greater Noida, India

SUMMARY

MCA student with a strong background in Computer Applications, skilled in Python, SQL, HTML, CSS, and Machine Learning. Passionate about software development, data analysis, and building AI-based applications. Seeking opportunities to apply robust technical aptitude and problem-solving skills to drive innovation in the IT industry.

EDUCATION

Master of Computer Applications (MCA)

2025 — 2027

Galgotias University, Greater Noida

Bachelor of Computer Applications (BCA)

Passed

V.K.S.U University, Ara

PROJECTS

AI Weather Forecasting Web App

May 2026

- Built an AI-powered weather forecasting web application using Python and Machine Learning techniques.
- Analyzed complex weather datasets containing temperature, humidity, and rainfall data for precise prediction modeling.
- Implemented advanced data preprocessing and data visualization methodologies to significantly improve forecast interpretation.
- Developed an interactive, user-friendly interface to deliver real-time weather updates and ensure seamless accessibility.

CERTIFICATIONS

Oracle Database Foundations

2026

Oracle Academy

AWS Academy Machine Learning Foundations

2026

AWS Academy

SKILLS

Programming: Java, Python, JavaScript

Web Technologies: HTML, CSS, JavaScript

Databases & Tools: MySQL, DBMS, VS Code, Git, GitHub

Core Concepts: Data Structures & Algorithms (Basic)

Office Tools: MS Word, MS Excel, MS PowerPoint

Soft Skills: Problem Solving, Teamwork & Collaboration, Communication, Time Management, Quick Learner, Adaptability
